

# Greenhouse Manager

Grand Cru Farm | Stockton, NJ

## About Us

Located in the scenic heart of Stockton, NJ, Grand Cru Farm is dedicated to regenerative farming practices that heal the land and nourish the community. We proudly provide a variety of farm-fresh goods, including flowers, vegetables, meat, eggs, and packaged products to local farmers markets throughout the region.

## Position Details

We're seeking a dedicated Greenhouse Manager to oversee our greenhouse operations for the 2026 growing season (March-November). This hands-on role involves managing the daily greenhouse production, while also supporting outdoor farm work as needed. This position is full time during the growing season, with the expectation of working 40-50 hours per week.

**Type:** Seasonal/Full-Time March 2026-November 2026

**Pay:** \$20-25/hour (based on experience)

**Schedule:** Monday-Friday, weekends as needed

## Responsibilities

- Manage daily greenhouse operations including planting, watering, fertilizing, transplanting, and harvesting
- Monitor and maintain optimal growing conditions (temperature, humidity, ventilation)
- Identify and address plant diseases, pests, and nutrient deficiencies
- Coordinate crop scheduling and succession planting for continuous production
- Maintain greenhouse equipment, irrigation systems, and overall organization
- Keep detailed records of greenhouse activities and yields
- Maintain communication with management and other farmers
- Assist with outdoor farm tasks and general farm maintenance as needed
- Help at weekly farmers markets when needed

## What We're Looking For

- Strong work ethic and positive attitude
- Self-motivated with ability to work independently and make decisions

- Passion for plants and sustainable growing practices
- Ability to perform physical labor and lift up to 50 lbs
- Ability to sit, stand, kneel, and bend over repetitively for an extended period of time
- Ability to work outdoors in all weather conditions
- Reliable transportation
- Detail-oriented and organized
- Experience in greenhouse management or farming is a plus but not required - we're happy to train the right person!
- **Must be willing to do a working interview on the farm prior to being hired**

## Why Work With Us

- \$50 credit every month toward farm products
- 5 days (40 hours) of NJ state mandated PTO
- Hands-on experience with greenhouse and diversified farming operations
- Learn sustainable and regenerative growing practices
- Be part of a small, dedicated team
- Connect directly with the community through farmers markets
- Work outdoors in beautiful Hunterdon County
